

CHAMPS Cooperative Learning Worksheet

Conversation:

Can students engage in conversation with each other during this activity?

Yes

If yes, with whom?

Students can talk with their assigned group members

About what?

Students can discuss their current task

How long?

Students can talk until the task is finished or until the attention signal is given.

Help:

How do students get questions answered? How will students get the teachers attention?

Students should first ask fellow group members their question. If their question is not answered within the group, they should then raise their hand.

If the students has to wait for help, what should they do while they wait?

Continue to work on the task with their group.

Activity:

What is the expected result of this activity?

Expected results will be explained in the directions of each individual task assigned.

Movement:

Can students get out of their seats during the activity?

Yes

For what reasons?

Students may go to the restroom with permission.

Participation:

What behaviors show that students are participating in the group activity?

- **Students are only talking to members of their group.**
- **Students are focused and working together.**
- **Students are looking at their work and the work of the group members.**
